BREAST CANCER AWARENESS SUPPORTED IN THE BAHAMAS & CAYMAN ISLANDS

Higgs & Johnson continued its support of The Lee Denim Day (Bahamas, top photo) and the Lions Dress Down/Dress Pink Day (Cayman Islands, bottom photo) as they both continue to be some of the largest single-day fundraisers for breast cancer awareness in both jurisdictions, providing assistance in raising well-needed funds for the fight against breast cancer and evoking nationwide support.

The firm relaxed its dress code at all of its offices and encouraged members of staff to participate in the various awareness and fundraising initiatives. The annual Lee National Denim Day was organized in conjunction with the Cancer Society of The Bahamas. The Lions Club of Tropical Gardens' also provided lapel pins, bracelets and other breast cancer awareness items for purchase to support the Lions Club's various initiatives which include providing mammograms, support, education and financial assistance.
