Higgs & Johnson entered a team of 18 participants under the name 'H&J's Fleet Footed Counsel' in The Susan G. Komen Bahamas Race for the Cure® 5K (2012). This is an annual event with a dual purpose of raising money for the beneficiaries as well as to bring attention to the dreaded disease affecting so many Bahamian women. All proceeds raised by the Race for the Cure remains in The Bahamas to fund breast cancer and women's health programs.

Zarina Fitzgerald, partner and breast cancer survivor since 2006, has also been a spokeswoman for the National Lee Denim Day (2009). She stated, 'It is always great when we can get together in support of the unified purpose of finding a cure for breast cancer. My hope is that my adversity may be of benefit to others, especially in the area of early detection'.
