Construction Begins on New Premises to House the Higgs & Johnson Lyford Cay Office

Rendering of Proposed Premises

Higgs & Johnson is excited to have begun construction on new premises to house its Lyford Cay office. The location for the new 12,000 square foot 2-story building sits on the southern side of West Bay Street, half of a mile, east of the Lyford Cay roundabout. The scheduled completion date is October 2015. The Firm, Gerard Higgs Limited, is the lead project architect for the new building and Inline Projects Ltd. is the General Contractor.

Global Managing Director, Oscar N. Johnson Jr noted, "This new modernized workplace will feature high-tech workspaces for approx. 20 personnel. This new project represents another step in our continued commitment to invest in our staff as we focus on creating a state-of-the-art work environment for our people. In doing so, we will remain at the forefront of the profession, providing clients with innovative, quality and pro-active services."

Lyford Cay, an internationally renowned residential community and financial district at the western end of New Providence, yields many of this office's private clients. Areas of work include Real Estate, Immigration, Commercial Law, Trusts, Banking and Securitisation.
