Private Clients & Wealth Management Team Shortlisted for STEP Legal Team of the Year Award

Higgs & Johnson is pleased to announce that its Private Clients & Wealth Management Group has been shortlisted for 'Team of the Year' at the inaugural STEP Caribbean Awards 2013.

The team has over 40 years of experience in the private client field, including offshore and onshore trusts and more recently foundations. Its members have been a part of a number of the Bahamas Financial Services Board working groups and most recently were active in introducing executive entities to The Bahamas, promoting it locally and internationally and in producing template documentation for the local industry.

Dr. Earl A. Cash, Partner and Chair of the group said: "We are delighted to have been shortlisted for this prestigious award. Our team appreciates the vote of confidence demonstrated by the panel of judges."

Tim Prudhoe, chair of the judging panel, said: "For the first time we brought together a group of judges who all have direct experience of working in the region. The judges were impressed by the standard of entries and it was hard work to pick a list of the best finalists."

The STEP Caribbean Awards are part of the STEP Caribbean Conference held in St. Kitts, May 6-8, 2013. Senior Associate and member of the Private Clients & Wealth Management group, Nadia J. Fountain, is a speaker at the conference. Nadia specializes in wills, estate planning, foundations and private trust companies and sits on the board of STEP in The Bahamas. This year's award winners will be announced at the STEP Caribbean Conference Gala Dinner.
